Blend cheese and flour. Take 3/4 cup of the cheese/flour mix and combine with 1/2 cup almonds and remaining ingredients except the pastry. Mix well.

Fit the pastry into a baking dish (approximately 12 x 7); trim to 1" beyond the edge and flute the edge of the crust. Fill with turkey mixture and top with the remaining cheese/flour mix and almonds.

Bake at 400 degrees for 30-35 minutes. Garnish with lemon twists and parsley.
